Subject: Lobbying

Mike,

It was a pleasure meeting you yesterday. I want to let you know that I filed the de-registration paperwork today with the House and Senate for Nintendo, and earlier this week Hughes Hubbard also filed de-registration paperwork for me for the 4 clients that I had previously represented. So right now I am no longer registered as a lobbyist. I hope that this is helpful for moving the process forward.

P6/b(6)

Sincerely,
Jennifer
